

**Dear Parents and Carers,**

The second week of the summer term has been eventful. I know that the weather is not being kind to us but the children have still had some great experiences outdoors in our locality: a trip along the Avon and a visit to Bolderwood. As always, these trips cannot run without the support of parents who have volunteered so thank so much for your support.

We had our second visit from Science Dome and again it was inspirational. These are the experiences that will stay in the children’s memories for a long time.

Next week we are looking forward to sports day- Thursday 20<sup>th</sup> June- so I personally am hoping that it stays dry and we finally see some sunshine.

Kind regards

Mrs Tubbs & Mrs Miller

## Phonics Screening Check

This week our Year 1 children completed the Phonics Screening check. Miss Grindy said that they were all amazing-well done to everyone. The check is designed to give teachers and parents information on how your child is progressing in phonics. It helps to identify whether your child needs additional support at this stage so that they do not fall behind in this vital early reading skill. Results will be shared with parents through our annual school reports.

## Whole School Sponsored Walk

On **Friday 28<sup>th</sup> June** the children will be walking from the Rockbourne site to the Damerham site. When we arrive back at the Damerham site, the children will enjoy a picnic lunch on the field. Parents are welcome to join us for the walk and picnic; however please be aware that dogs are **not** allowed onto the school site.

After the picnic, the Juniors will make the journey back to the Rockbourne site. Children at both sites will continue with art-based activities for the duration of the afternoon.

Parents are invited to join us for our Art Exhibition at the Infant site from 1.00-2.00pm and the junior site from 2.30-3.30pm.

## Sun Hats

Don't forget sunhats and sun cream for when the sun finally makes an appearance !
