

Hello. My name is Millicent Paterson and I am donating my hair on the 21st of June 2024 for the Little Princess Trust. The Little Princess Trust are people who make wigs for children who have lost their hair from cancer. To raise money for the trust, I have decided to do a bake sale at the Rockbourne Site on Monday the 17th. Each cake will be 50p so please may you send your child/ren in with 50p.

Thank you for supporting me.

Science Dome at Damerham

I liked that we got to look at the stars because they are shiny

We found out that the North Star never moves

In the Space Dome it was amazing

I loved the planets when they spun around the solar system

ECO CLUB at Rockbourne

The busy members of Eco Club have been actively improving the environment at the Rockbourne site this term. Led by girls from Year 5, there is a team that litter pick daily and a team that recycle used pens weekly. Also, along with the Junior Road Safety Officers, they have been promoting car sharing. Well done to all the families that already car share to both sites! Last week Eco Club made bird feeders by recycling plastic milk bottles and decided the best places to hang them to support the bird life around our beautiful grounds. A big thank you to Parker, Ava-May, Ivy, Hollie, Bonnie, Darcey K, Emily S, Hera, Elsie, Elodie, Lily, Layla, Millie and our JRSOs Willem and Freya. Thanks to their efforts, our school environment is much improved and we are close to achieving the Eco Gold Award.

Could you help?

If anyone is willing to give just a small amount of time or share their creativity, we would be grateful for any help in creating props for Hoodwinked - the end of year production. Anything from making signs to decorating the village hall would be appreciated.

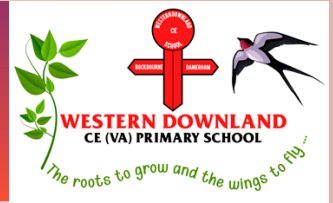

If you think you may have some time or expertise, please contact Emily Savage.

Attendance

Class	Percentage
Whole School	96.1
Acorn	95.0
Willow	96.0
Maple	96.4
Birch	96.8
Rowan	97.0
Beech	96.2
Oak	94.9

Rowan Class Trip to Christchurch

After a half an hour drive, we arrived in Christchurch and met the Bournemouth Council Staff Rose and Sarah. We took a walk to Mill Stream which is a tributary of the River Avon where we also learnt about the Ducking Stool, an old way of punishing criminals. We then walked to Stan Pit Marsh where we look for different birds who use the River Avon and also sketched the human and physical features of this part of the river.

After this, we walked to see the grazing animals and then said goodbye to Sarah and Rose. We went to Christchurch Quay to do some geographical surveys. Firstly, we did an emotional response to being by the river, then we looked at the different types of leisure and tourist attractions around the river. Finally, we monitored how many people were using the area and looked at the different types of humans.

Thank you so much to Mr Melrose for driving the Mini Bus and for Mrs Haworth for driving! By Fergus and Sam

Birch Class Trip to Bolderwood

First we got out of the cars and minibus and did a field sketch looking at human and physical geography. Then we had our snack before going to do a traffic survey. On our walk, we looked at different wildlife and were so lucky to see 4 deer. We also did a photo scavenger hunt and followed our mapped out route (even if Miss Savage led us the long way round!). We had lunch and even got treated to an ice cream.

Thank you to Mrs Lambert, Mrs Thorne and Mrs Oakley for driving and coming along with us.

News from the Friends of Western Downland

The Friends are supporting the **Damerham Dash** taking place on Sunday 23rd June. Come and join in! Online entry is open at www.sientries.co.uk The children's colour run cost is £5 pre-booked or £10 on the day. There is a 5K race too. It's a brilliant event. We even have some Motivators who will be running a warmup session to

get everyone in the mood for running. We are still looking for volunteers to set up obstacles, throw colour packs, bake a cake or help on the Friends' refreshment stall. If you can help, please email friendsofwesterndownland@gmail.com

CAKE shout out!

For Sports Day (**Thursday 20th June**), The Damerham Dash (**Sunday 23rd June**) and the Martin Coffee Morning (**Saturday 6th July**) we would love some cake donations. We will send reminders nearer the time, but any nut free contributions would be so welcome.

Thank you for all your support.
